--	---------------------------

BRONZE SERVICE (Low cost Advertising Solution including MyProfile Behavioural Assessments – having Candidates auto-forwarded directly to you.

This package uses eJobs Financial Planning’s recruitment expertise to:

- Draft a Job Advertisement to maximise the effectiveness of attracting the right calibre Candidates for your role.
- Promoting this on all the job websites we use (including SEEK, MyCareer, FinancialPlanningjobs plus others).
- All applicant resumes are then auto-forwarded straight on to your nominated email inbox for you to assess directly. We thank all applicants on your behalf for applying.
- We provide our MyProfile Behavioural Assessments for up to a maximum of 5 of your shortlisted Candidates to complete.
- These MyProfile Assessments provide an independent check on how Candidates behave at work and what mix of behavioural styles they possess. This gives a good indication of their focus, drive, interpersonal characteristics and attention to detail, etc, and means you are more likely to avoid costly hiring mistakes. This assessment also identifies key strengths and talents both at an individual level and in working as part of a team and gives strong indication to role performance and in ‘upskilling your team’.
- Verbal feedback on these MyProfile Assessments can also be provided as part of this Service.
